"The formation of small companies as a basis of Christian effort has been presented to me by One who cannot err. If there is a large number in the church, let the members be formed into small companies, to work not only for the church members, but for unbelievers."

**HAVE YOU EVER HEARD ANYONE SAY "LET'S GO INSIDE TO GET SOME FRESH AIR"? WELL NOW YOU CAN!** Recently Knoxville First SDA installed Global Plasma Solutions EC-48 Bi-Polar NeedlePoint Ionization units on our church air handlers. GPS NPBI technology safely cleans indoor air via the ventilation system purifying the indoor air by reducing airborne particulates, odors and infectious pathogens. ***So, come to church and enjoy the fresh air!*** <https://youtu.be/fWm-Gr9VyKI> While this system helps reduce the spread of infectious pathogens, we also believe it's important to comply with all applicable public health laws and guidelines issued by federal, state, and local governments.

**WEBSITE CALENDAR:** Use of the Church, School Gym, School Kitchen, and Hospitality House for events and activities must be reserved through the church office. You can now check the calendar for availability. The Sabbath service schedules are also listed on the calendar.
