“Living power must attend the message of Christ's second appearing. We must not rest until we see many souls converted to the blessed hope of the Lord's return . . . The message for this time is positive, simple, and of the deepest importance. We must act like men and women who believe it. Waiting, watching, working, praying, warning the world—this is our work.”

**SUSAN MELTON MEMORIAL SERVICE** - Susan Melton, former caregiver for Peter Hansen, Sr. and close friend of our Knoxville First SDA Church family, passed away this past Christmas Eve from the effects of an extended illness. Susan enjoyed attending several recent evangelistic meetings conducted by our church over the past few years. Her big smile, friendly disposition, and jovial personality will be greatly missed by those who knew her. A "Celebration of Life" memorial service will be held today (Sabbath, January 9) at 4pm in our church sanctuary. A meal will also be provided for relatives and close friends in the KAS gym after the service. Please remember to keep the Melton family in your prayers.

**HI LADIES!** If anyone is interested in following a Bible reading plan that takes you through the Bible chronologically in a year for 2021 this may be a good resource for you. It offers these options: a daily reading plan, a podcast, follow along in the YouVersion Bible app, and a print option as well. If anyone wants to follow this plan, we can encourage each other and help keep each other accountable. The website is [www.thebiblerecap.com](http://www.thebiblerecap.com). Contact Lisa Pfeister.

**HAVE YOU EVER HEARD ANYONE SAY "LET'S GO INSIDE TO GET SOME FRESH AIR"? WELL NOW YOU CAN!** Naturally occurring ions are everywhere outdoors, and are constantly working to clean the air, created with energy from rushing water, crashing waves and even sunlight. Recently Knoxville First SDA installed Global Plasma Solutions EC-48 Bi-Polar NeedlePoint Ionization units on our church air handlers. GPS NPBI technology safely cleans indoor air via the ventilation system purifying the indoor air by reducing airborne particulates, odors and infectious pathogens. *So, come to church and enjoy the fresh air!* <https://youtu.be/fWm-Gr9VyKI> While this system helps reduce the spread of infectious pathogens, we also believe it's important to comply with all applicable public health laws and guidelines issued by federal, state, and local governments.

**WEEKLY PRAYER MEETING** - Please join us every Wednesday evening at 7pm on Zoom for our weekly prayer meeting. We are presently going through a verse-by-verse study on the book of Hebrews. Outlines for each chapter will be made available on a weekly basis on our church website (home page <https://www.knoxvillefirstsda.com> then scroll down and click on "Midweek Service - Studies in Hebrews"). Login at <https://zoom.us/j/8987439349>. The meeting ID is 898-743-9349. To join by phone, please call (646) 558-8656 and enter the meeting ID. This weekly event will be streamed on Facebook, YouTube, and Roku.
