If you plan on attending this special meal and the memorial service to follow after, please plan on helping with food by bringing a dish, so that we have plenty of food for those who wish to attend the meal and the memorial service. **COME TO CHURCH AND ENJOY THE FRESH AIR!**

**Have You Ever Heard Anyone Say "Let's Go Inside To Get Some Fresh Air"? Well Now You Can!** Recently Knoxville First SDA installed Global Plasma Solutions EC-48 Bi-Polar NeedlePoint Ionization units on our church air handlers. GPS NPBI technology safely cleans indoor air via the ventilation system purifying the indoor air by reducing airborne particulates, odors and infectious pathogens. <https://youtu.be/fWm-Gr9VyKI> While this system helps reduce the spread of infectious pathogens, we also believe it's important to comply with all applicable public health laws and guidelines issued by federal, state, and local governments.
